

Calling All Alumni Of Happy Workers Children's Center!

We are looking to reconnect with you!

Happy Workers was established in 1929 in South St. Petersburg and celebrated its 85th Birthday in 2014. Now in 2018 Happy Workers, an R'Club Early Learning Academy will soon be breaking ground on a new and improved preschool that will continue to provide quality early childhood education and development services for the children and families in our community. We would like to share it with you.

**All Alumni please contact Amy Shore, Development Director
